TEAM TE MANIA
COWS

Lakala, Mumbannar offering 250 cows (PTIC)

The Team Te Mania breeding alliance focuses on commercial efficiency traits which boost breeding herds and their market options.

Team Te Mania members have access to the stud's highest performing sires – including Te Mania Kirby K138, the highest ranked Angus bull for IMF% in Australia, with an EBV of +7.3, almost four times the breed average.

TEAM TE MANIA ONLINE COMMERCIAL FEMALE SALE

FRIDAY 5 MARCH 2021 AT 11AM ON AUCTIONSPLUS SIM AUCTION 014

The key to future success for commercial producers will be the genetic profile – and progress – of their female herds. Long-term progeny testing and a strong selection focus on commercial efficiency traits, gives Te Mania Angus bloodlines the edge to increase market options and open new markets.

Team Te Mania herds have been refined by almost 30 years of dedicated breeding under the Team Te Mania umbrella. This sale is a unique opportunity to purchase large lines of females which provide a genetic boost to any herd. Cattle listed as ACR (Angus Commercial Register) have EBVs available.

FREIGHT ASSISTANCE

A freight subsidy of \$15/head will be paid by Team Te Mania direct to successful purchasers. It will only be paid for females purchased during the live sale. The subsidy can be claimed directly from Team Te Mania, by email to hamish@temania.com.au.
