Assessor Comments	An excellent line of pure Te Mania blood Angus Heifers. These heifers are showing great growth, condition and maturity for age; and are very even in type and frame. These heifers will grow out to be large frame cows. Check breeding details for all the AI sire details. The steer portion of the Colligen Creek drop are annually sold to the Rangers Valley Feedlot, in 2019 the steers were rated in the top 5% for weight gain, marbling and yield of the 70,000 fed. Buy with confidence.
